

## 2022 All-County Teacher Information

Dear Music Colleague,

The Pinellas County Music Educators Association presents a series of All-County concerts each year. These special concerts provide a wonderful opportunity for your outstanding musicians to gain experience and perform under the direction of guest clinicians.

Please review the All-County responsibilities of the Music Director. It is important that we strive to create a quality musical experience for the students.

### **Music Director Responsibilities**

- Distribute music and practice resources shortly after they are received to allow for adequate student preparation time.
- Attend all rehearsals with students. If you are unable to attend, a Pinellas County Schools faculty member must attend on your behalf.
- Be responsible for your students' behavior throughout all rehearsals.
- Communicate with parents regarding drop-off/pick-up times, lunch/dinner (if applicable), and concert attire for rehearsals and the concert.
- Perform your assigned job during rehearsals and the concert.
- Return all forms and enter names into the database by the deadlines to allow adequate preparation time for each phase.

If you have any questions or concerns, please feel free to contact the coordinator. Thank you!

Sincerely,

All-County Coordinator

**The rest of the packet is to be sent home with the All  
County student.**

### Expectations

#### Punctuality & Behavior

- Students are responsible for their own transportation to/from all rehearsals and performances, unless riding arterial buses. Arrive to rehearsals on-time. *Arriving fifteen minutes before rehearsal allows you time to find your seat, set-up your instrument, prepare to rehearse, etc.*
- Students must be well-behaved and attentive during rehearsals.
- Disruptive behavior or excessive tardiness may result in dismissal.

#### Preparation

- Students must prepare their music prior to the first rehearsal. This will allow the guest clinician to work on ensemble concepts and musicality as opposed to pitch and rhythmic accuracy. Please take time to practice your music, number your measures, and circle any important score markings prior to the first rehearsal.
- Students should bring all music and/or instrument equipment (reeds, mouthpieces, swabs, valve oil, etc.) to all rehearsals and performances.
- Students are required to have a pencil at all rehearsals – no exceptions.

## ***Music Teacher Section***

I am recommending that the above student participate in or audition for the All-County Ensemble. I am confirming that the student is enrolled and participates regularly in the school-based ensemble. I have confirmed that the student is well prepared for the audition/rehearsals. I agree to attend **ALL** clinician-run rehearsals to supervise students from my school. If I cannot attend, I will send a representative (faculty, staff, or administration - **not parents**) from my school to monitor rehearsals. If there is no school representative, I understand that my student will not be able to attend rehearsals and may be dismissed from the group. I will attend both audition and sectional rehearsals prepared to work. If I do not attend both, I understand my students will not be allowed to participate in the All-County Ensembles.
